

## Fen Gallop Sunday 3 July 2022 – Race Information

Welcome to the Fen Gallop 10km race and 4mile fun run. Here are important details to ensure you have an enjoyable and safe event – PLEASE READ THEM VERY CAREFULLY

### SAFE RUNNING & COVID

- We advise you should follow ALL current Government guidance in terms of social distancing during the event at ALL TIMES
- Do NOT attend the event\* if:
  - you have any Covid symptoms
  - or if any member of your household has any Covid symptoms
  - of if you have been in contact with someone who has tested positive for Covid-19
- Please follow ALL instructions given by marshals/race officials
- Please respect private land and keep to public footpaths.
- It should be noted that part of the Fen Gallop route uses private land with the kind permission by the landowners for the day of the event and so please be respectful and follow instructions from marshals (in orange vests).
- The run route uses some quiet roads but these are NOT closed for the race and so please be aware of cars or other vehicles at all times while on roads and obey any instructions given by marshals.
- Both the 4mile and the 10km course are on rural multi-terrain, so please exercise care where the surface is uneven

### PARKING:

There is parking at the event, about 200m past the Willingham Village Recreation Pavilion and Ploughman Hall on West Fen Road. Postcode CB24 5LP. The parking will be signposted, please follow the instructions of the parking marshals. We expect the parking to be able to take all the cars, but if it becomes full it will be shut and cars will need to park safely in the main village or at the local primary school. The parking will be shut at 10am until after the last runner from the 4 mile race has passed the entrance - this is essential for the safety of runners using West Fen Drove. Late arrivals should park in the main village and walk to West Fen Road. If you have the opportunity to help cut down the number of cars by car sharing or using other transport to the event then we would be grateful. Please do not park in front of the Pavilion or at the Ploughman Hall unless directed to do so by a parking marshal, we need the space for vehicles to support the run. All parking is at the car owners own risk, Fen Gallop, Willingham School Association or the owner of the field accept no liability.

### REGISTRATION:

***There will be LIMITED entries available on the day – last date for entry is 1st July!***

***Registration will be open on Sunday 3 July (please see signs for where to register and collect your race number and chip).***

**Sunday 3 July:** On-site registration opens at 8.30am for you to pick up your race number and your chip timing tag. Registration will close at 9:45am.

The kids 1 mile race and under 5's mini sprint will be registered after 11am

This year we are using reusable shoe tags. Please ensure you secure them during the run, and return them at the end of the race. No return will result in a fine of £10 for them to be replaced.

Bags may be left but the organisers can take no responsibility for them and recommend that valuables are not left unattended. Any left bags should be left on the steps by the Pavilion on the Recreation Ground.

### **TOILETS & SHOWERS:**

There are **LIMITED** toilets in the Ploughman Hall and just over the road at the start/finish in the Pavilion on the recreation ground. This year we have also hired some portable toilets. Please ensure you leave the toilets clean, tidy and flushed. There are no toilets on the course.

The showers in the Pavilion will NOT be available this year.

### **COURSE RESTRICTIONS:**

The course is not suitable for wheelchairs, pushchairs, or bicycles. Dogs are not allowed on the recreation ground and hence not allowed for the race. If headphones are worn the volume should be low enough so that the instructions from marshals or pass requests from other runners can be heard.

A small part of the course (where Hawcroft Lane meets Long Lane in Over) is on private property, permission has been kindly given by Mr Burling of Over to use this section - but for the event only. If you run the course at other times please keep to the footpath (which is the same distance).

### **THE COURSES:**

Both the 4mile and the 10km course are rural multi-terrain, with some rough ground and a few sections that are particularly rutted. There are wooded sections with tree root trip hazards. If it is dry, then road running shoes are suitable, if there has been an extended period of wet weather then trail shoes should be considered.

The 4mile course and the 10km course are common at the start and the finish. It is important that you understand which course you are on at the split point and follow the appropriate signage and marshal instructions. Towards the end of the race you will meet runners from the other race distance, if they are faster than you please let them pass easily.

Both the 4mile and 10km course do have some narrow sections, and some wider sections with ruts where passing is difficult. These sections are far from the start, quite short, and followed by wide sections where it is easier to overtake, please be patient/kind to other runners.

Online versions of the routes are at: 10K - [www.plotaroute.com/route/224227](http://www.plotaroute.com/route/224227) 4 Mile [www.plotaroute.com/route/25337](http://www.plotaroute.com/route/25337)

***Please note the start of the 10K course remains the same as last year to ensure no cross-over of runners. Please listen carefully to instructions in the race briefing.***

These routes are still subject to change.

### **SAFETY:**

There will be a mandatory safety briefing held near the start. This will be held at 10:10 for all runners this year, with the 10km runners being released first. There will be further instructions before the 4mile runners are started.

In line with other 10K races we do not recommend that young people under the age of 15 take part. Instead, we recommend they do the 4mile course.

The 4mile course has 2 drink stations at 1.5 miles, and 3 miles, water is also available at the finish. The 10km course has 3 drink stations at 2.4km, 5.4km, and 8.4km, water will also be available at the finish. If you are prone to dehydration or if it is hot then you should consider carrying extra water. ***We recommend you bring your own refillable water bottles if you can, to minimise waste but paper cups will be available.***

Runners should wear appropriate sun protection.

It is recommended that runners with pre-existing medical conditions carry an ICE (In Case of Emergency) notification. First aid is available on the course and at the finish, if you require any first aid or assistance then please contact a marshal or a race official. If you see another runner in need of aid then please stop and help them and contact a marshal if necessary. We advise all runners to download the What3Words App, which can help us/emergency services to locate you quickly in an emergency.

***It is a condition of entry that all runners obey the safety instructions of marshals and other race officials.***

As organisers we are providing a marked course, marshals, first aid cover, drink stations etc, however all runners must accept that this is a rural, mixed terrain course with uneven ground, trip and stumble hazards - runners are responsible for their own safety and run at their own risk.

### **START TIMES:**

The 10km and 4mile race will have a safety briefing at 10:10.

The race will start at 10:20

There will be an additional 4mile race briefing at 10:30 and the 4 mile race will start by at least 10:40.

## **AFTER THE MAIN RACES:**

Water, fruit and medals will be available to pick up for all runners at the end of the race. ***Please help yourself to these, although we hope to have some helpers to help pass these out. IMPORTANT - Please make sure you return the timing tags to the helpers at the end of the race.***

Awards for the 10K and 4mile race will be presented at approximately 12:00

There will be a small bar, bacon rolls (run by the Scouts) and a bbq (run by the Willingham Youth Trust group) and refreshments run by the Guides. There will also be a kids 1 mile race and Under 5 mini sprint after 12.30, in addition to the Willingham Primary School Summer Fete. Bring the family along to enjoy the whole day!
